以下に成果の概要を記入してください。ページ数に上限はありませんが、最終的に提出される PDF のファイルサイズの上限は 2 MB です。

Summarize your achievement in this document. Though there is no page limitation, eventual size of the file must not exceed 2 MB in the PDF format.

Due to the change of affiliation of the leading researcher and the development of a new simulation's approach, the project "Constraint planet formation process with initial spin" has been temperately postponed and we did not compute in the CfCA cluster in the past year. We apologize for not being able to present our results at the moment and appreciate the acceptance of our application.
